

List of the Youth Road, Track & MTB events taking place in the **East Midlands**.

Thoresby Park Circuit races: April 17th, April 24th and a three race series on Thursday evenings in May (6th, 13th and 20th)

Taking place in the grounds of the Thoresby Park private estate, these events have been structured with rider development in mind. Every rider taking part will have the opportunity to ride two events for the price of one, so lessons learnt in the first event can be put in to practice later the same day. In addition to the Youth events, also included in the program are Go-Race events for new riders. These events are open to friends and family, so spread the word to anyone you know who might be interested in experiencing road racing for the first time.
