

## March 2010 British Cycling GoRace Events @ Quibell Park

1, 2 and 3 for Club Members!

## Youth Racing @ Thoresby Park, April 2010

Club members Simon, Louise, Max and Torrin (coaching sessions) rode like the wind at the Youth Racing events @ Thoresby Park on Saturday 17th and 24th April. The backdrop of Thoresby Hall stately home combined with glorious sunshine created a fantastic atmosphere for the day of racing. The formula of two events for the price of one was very well received; allowing all riders to compete in one event, recover & reflect on their performances & then race again.

**Well done to all four riders!**

**They raced hard and skilfully against seasoned club riders and kept on smiling - all are hungry for more racing in the future!**

### **Spalding Flower Parade Town Centre Criterium**

**LINCSQUAD Youth Academy** athlete's **Louise** and **Simon** have been successfully racing again at the Spalding Cycling Club promoted Spalding Flower Parade Town centre criterium on May 2. In the true style of the traditional French town cycle races, the local club closed the roads in the town for a full afternoon of cycle races for riders of all abilities. The day started with a short Go-Ride event for Primary School Children that had been taking part in the British Cycling Schools Go-ride programme.

In the Under 12's race, three riders formed a break including the local hopeful Reece Moradkhan. Again, this race finished in an exciting sprint to the line with Louis Kilworth from Welland Valley taking the win. The under 12's Girls race was also good to watch with Tilly Gurney and Eleanor Crawford chasing down **Louis Beedham** and Hannah Banks. Hannah managed to hold on to take the win.

The under 16 boys turned into a four way battle between Keiron Tenny (Heanor Clarion) Callum Rogers (Scunthorpe Poly) Peter Cocker (Whitham Wheelers) and George Thompson (Sleaford Wheelers). The fast circuit seemed to favour Kieron who tried to escape early in the race but the hard work by the other three made for another sprint to the line with Keiron Tennyson taking an impressive win.

#### Lincoln GP Michaelgate Youth Challenge Hill Climb

Simon had a fantastic ride in this first experimental addition to the Lincoln Grand Prix!

He rode a powerful hill climb up the tough cobbled climb of Michaelgate in front of the massed crowds there to see the Elite race.

Producing two 5<sup>th</sup> places in a very strong field – **WELL DONE!**

#### LINCSQUAD Youth Academy Go-Ride Race 10th July 2010

Saturday the 10th saw eight riders compete in three age categories in the first of a series of Go Ride Races run by Lincsquad youth academy.

The first of the four events saw all eight riders record a time for the Flying 200.

In the under 12's Jacob Allen manage to put in a very respectable time of 18.94 seconds just 2 seconds in front of his nearest rival.

The 12-14 raise was a much tighter run affair, with Robbie Sturdy taking the points by just half a second.

In the 15's and over Simon Beedham once again showed he reigns supreme recording a near personal best of 13.47 seconds with his closet rival coming in at 17 seconds dead.

The under 12's scratch race contested over two laps nearly came down to a photo finish with Jacob Allen just piping Jordan Chappill on the line.

The 12-14's again fought a very close battle with Robbie Sturdy once again coming out on top.

The over 15's three lap scratch race saw Simon Beedham ride to a comfortable victory followed by Kev Chappill and Wayne Beedham with Rhian Chappill bringing up the rear.

The Handicap points race for the under 12's saw Jordan Chappill take the points for the lap and again after a very close finish saw Jacob Allen just hold on for the winner.

With the three laps just being a little to long for Robbie in the 12-14's William took advantage and came across the line fist taking maximum points.

The over 15,s saw Wayne Beedham pick up points for the first lap but was then caught by Kev Chappill who held off a powering Simon Beedham to take the second lap points but again Simon showed his strength and crossed the line in first position securing the points for the winner.

The final race saw all the riders take to the track for a two lap handicap. With Wayne Beedham riding to a comfortable victory. This however did not effect the overall placings.

Each competitor was presented with a medal and the winner from each category received a shield.
